

Carton packages

*Thank you
for sorting
your waste!*

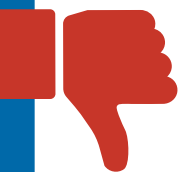

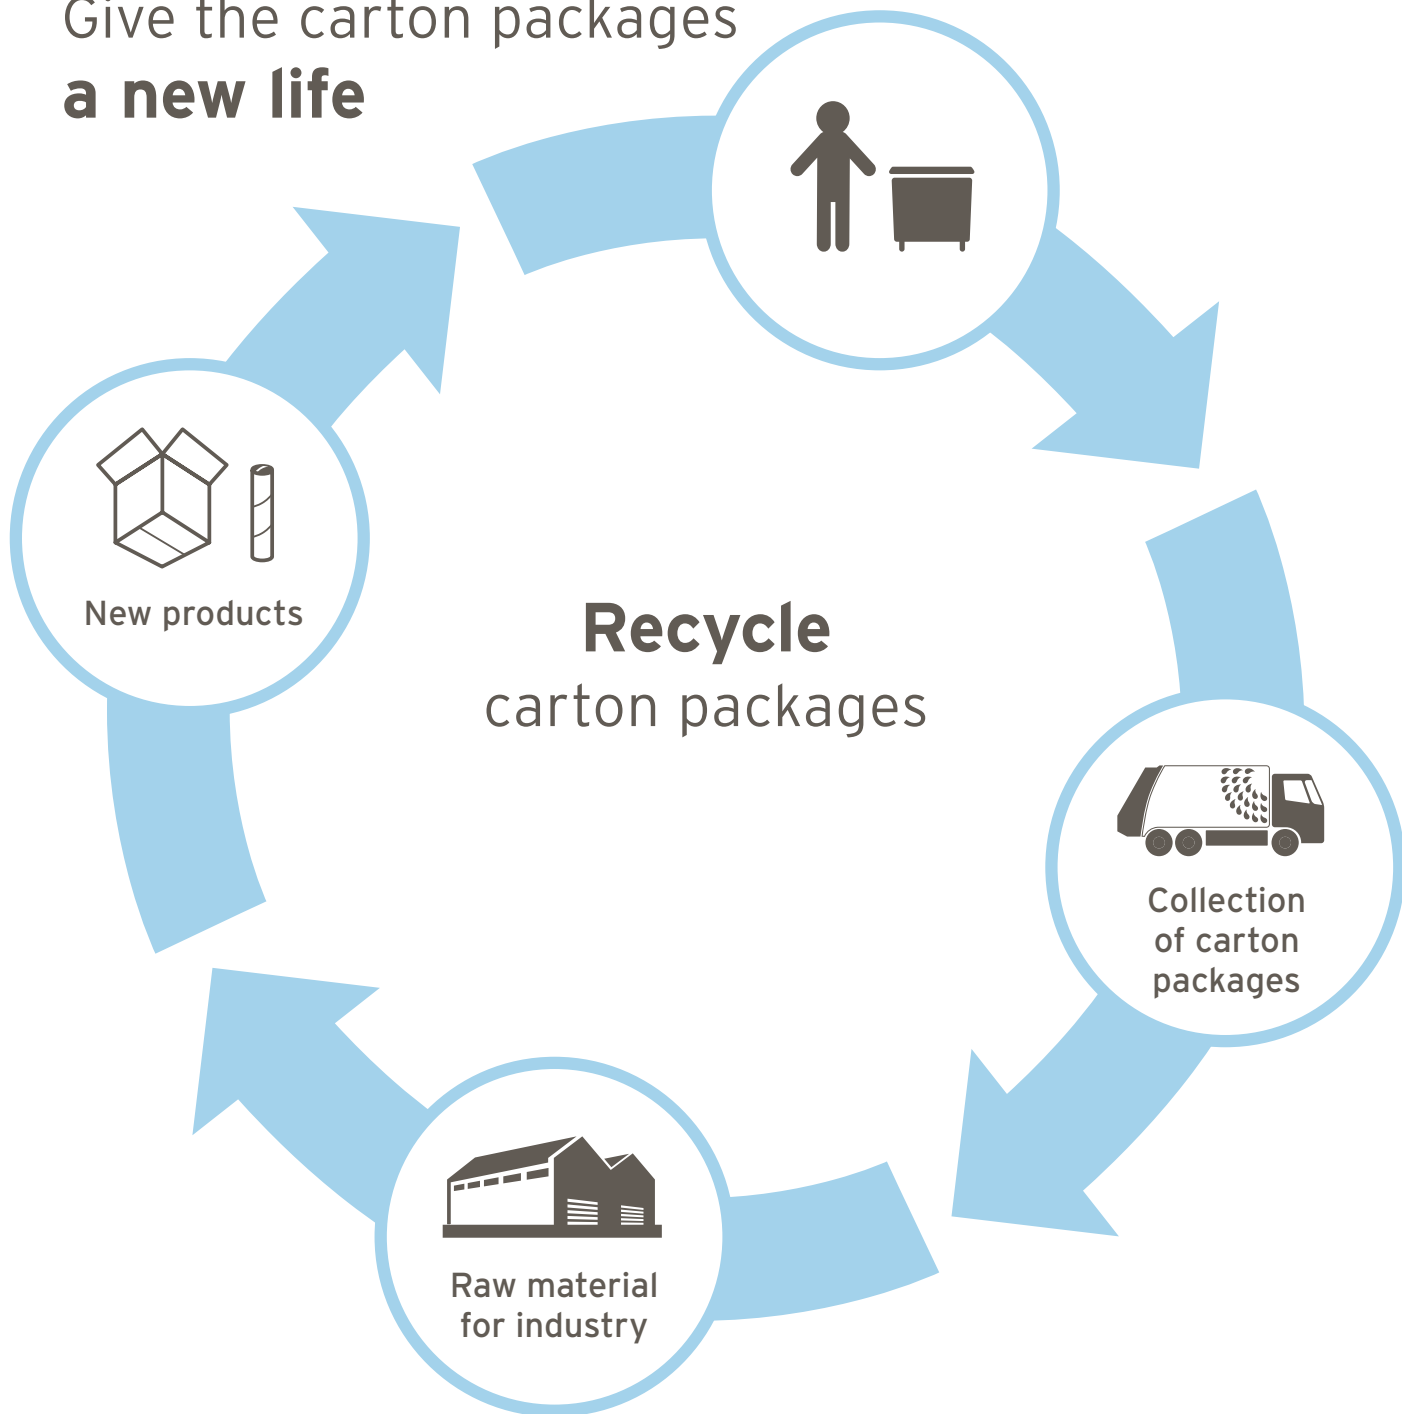

- ✓ Remove food scraps from the packages.
- ✓ Rinse the cartons with cold water and let them dry for a while.
- ✓ Flatten the packages and pack them inside each other.
- ✓ Staples or packing tapes do not need to be removed.

Sorting problems? hsy.fi/en/wasteguide

Give the carton packages
a new life

Not into the carton package container:

bubble wrap, polystyrene, gift paper, book covers, plastic bags.

Bubble wrap
» plastic packages

Packaging polystyrene
» plastic packages

Gift paper
» mixed waste
